PERSONAL BIO

As a graduate of the University of Oregon's Coding Bootcamp, I have acquired extensive knowledge and proficiency in a broad spectrum of front-end and back-end technologies, including HTML, CSS, JavaScript, React, Express, Node.js, and MongoDB. I am dedicated to continuously learning the latest technologies to excel in this field. With a fresh perspective and extraordinary attention to detail, I aim to contribute as a team player and deliver high-quality, unique products. Feel free to reach out with challenges, questions, or constructive feedback.
